

OUR

vision for BCF is to connect each individual with God, People, and Purpose. Connect Groups are one of the best vehicles to accomplish this goal. Through Connect Groups people can be connected with others as they host or attend a group. People can be connected to purpose as they use their gift to lead a group. And, of course, people can be connected with God through our Connect Groups. Gina and I want to personally thank our leaders for taking the time to help us connect people. We also want to encourage all of you to join a Connect Group and allow God to connect you with Him, People, and Purpose.

Pastors Joe and Gina Cameneti

What's Next?

Our goal at Believers is a simple one. We just want to help you connect with God. No matter what your background may be, our heart is to help you navigate through this incredible journey of loving God with all of your heart and giving Him all that you have! How exactly does this happen? **Easy - by asking one simple question: What's Next?**

Maybe the next step for you is joining or leading a connect group (You're looking in the right place!). Maybe it's time for you to take ownership of this vision on a whole new level by becoming a member of Believers. Whatever the Next Step is... let us help you find it!

Here you'll find six options that don't build on each other. Most likely, at least 1 of these steps is right for you at this point in your life. Take a look here or at BCFonline.com and sign up online, on your connect card or at the What's Next Kiosk in the main lobby!

**** Contact Joe Cameneti Jr. at whatsnext@bcfonline.org or (330) 372-3333 ext. 163 with questions.*

Jesus: Jesus Christ is the first step in connecting with God. Entering into an authentic relationship with Him enables you to take the Next Steps in your journey! If you are ready to take this step, we're ready to help you! You can ask a friend who attends Believers, anyone with a

name-tag at a service or of course you could call to speak with us any time day or night! Just call (330) 372-3333 ext. 163.

Water Baptism: This is an outward expression of an inward connection. We call it “going public” at Believers, and the Bible clearly teaches it is a crucial next step after salvation. Visit BCFonline.com/baptismfacts to learn why we are baptized.

Connect Groups: A chance to connect with people just like you through interest-driven small groups. It’s the perfect way to find community! (Just keep flipping!)

Ground Zero: Unique classes that don’t build on each other – all designed to answer your questions about “the basics” – helping build your faith from the ground up. (Next group of classes coming Spring 2011)

Membership & Equipping: Three Semesters offered each year.

Receiving the Holy Spirit: Classes designed to answer all of your questions and put to rest your fears as you go after all that God has! (Stay up to date through bulletin and announcements)
