Multiple Nations

Current Nations (2010): The Middle East, Africa, Asia, and Latin America

Mission Statement: Their vision focuses on a three fold outreach which is preaching, teaching, and reaching. The main thrust of the ministry is to preach the Gospel to every creature! This evangelistic thrust crosses all economic and religious lines, and the Word is received with joy by nation after nation.

The second thrust of ministry is in the area of teaching. The L.I.F.E. Leadership Institute is an on-site training program to equip people to Live In Fullness Everyday and give LIFE away! The materials and literature that are presented are most powerful and practical for personal use.

Preaching, the reaching aspect of ministry is to help the hurting and sick. Medical clinics have been established, Bible Schools have been equipped and refugees have been clothed and fed through this very practical program.
